The UOCAVA applies to:

- Members of the U.S. Uniformed Services (on active duty) and merchant marine

- . U.S. citizens residing outside the U.S.

Members of the U.S. Uniformed Services or merchant marine and their farmly members may vote absentee while away from their place of voting residence, whenever stationed, within or outside the United States.

The UGCAPA also applies to U.S. citizens residing untake the United States and its territories. These citizens may vote in the state or territory where they last resided unmediately prior to departing the United States, even if many years have elapsed and the citizen maintains no residence in the state or territory and the intent to return to that state or territory may not be certain. Most states and scritories germal those citizens to vote in elections for Federal offices only although some states may send a bullet containing local, state and Federal offices.

The UOCAFA provides that voting for Federal offices shall not affect the determination of the voter's place of residence for purposes of any tax imposed under Federal, state or local law. Lishility for state income tex, however, may be incurred in some states by voting absorbed in state or local elections. To meson the probability of incurring state traves on income earned outside the United States, see Appendix E and countlegal commod for details.

The Federal Voting Assistance Program (FVAP) encourages citizens to bring problems encountered in the voting process to the attention of the Emboury or Constitute Voting Assistance Officers. If a problem cannot be sucolved locally, then contact the FVAP.
